

MONDAY 3 APRIL 2023

Culture on show at Corroboree

Culture and community will be the focus of this year's Yarka Yakapna Corroboree, hosted by Njernda Aboriginal Corporation.

The event, which will take place during the Easter school holidays on Thursday 20 April, will be held from 10am at the Barooka Youth Healing Place.

"We wanted to bring the Corroboree to Barooka to boost the connection between attendees and Country," Njernda project worker Brody Atkinson said.

"Barooka is an important site for our mob and it's an ideal place to showcase our culture.

"It was fantastic to bring this event back last year after COVID lockdowns, and we are hopeful it can continue to grow."

The event is free and open to all members of the community.

Activities on the day will include cultural walks, traditional dance and live music, painting and wildlife exhibits.

There will also be a barbecue lunch.

Giveaway tote bags will be available but limited to those attending the event.

Barooka Youth Healing Place is on Braund Rd near Echuca, and transport to the event is available.

A free bus shuttle will be running from the Njernda Youth Hub on Annesley Street at 9.15am and at 9.40am.
